TMEIC Opens New Sales Office in Mumbai

Roanoke, Va. (January 16, 2012) – Toshiba Mitsubishi-Electric Industrial Systems Corporation (TMEIC) of Tokyo, Japan has announced the opening of a new sales and service office in Mumbai, India to further support customers in the region.

The new office is part of TMEIC Industrial Systems India Private Limited Company in Hyderabad, a wholly-owned subsidiary of TMEIC which was established in 2010.

“Since TMEIC first opened the Hyderabad branch in 2007, our presence has steadily grown through the acquisition of significant projects and a committed effort to expand our capabilities to meet the demands of customers in the Indian marketplace,” says Dale Guidry, President and CEO of TMEIC Corporation in North America. “This new location in Mumbai further solidifies that commitment and we look forward to the opportunities that this growth will bring.”

Under the management of Hemant Joshi, Managing Director of TMEIC Industrial Systems India Private Limited, the office in Mumbai will support sales and service for automation systems for Metals and Material Handling, as well as motors, drives and other electrical equipment for Power Generation, Oil & Gas, Water & Wastewater, Cement, Mining and other major industries.

The office, located at 901/D, Filix, L.B.S. Road, Opp Asian Paints, Bhandup – West Mumbai – 400 078, will be inaugurated on January 20 by Masahiro Nishihara, Director and Vice President Industrial Systems Division, and Dale Guidry.

With offices on five continents, TMEIC designs and develops advanced automation systems, motors and drives. The company has major operations in Japan, China, Singapore, India, the United Kingdom, Germany, Italy, and the United States.
